## B. Course Objectives and Learning Outcomes

### 1. Course Description

It is a goals-based English language course which prepares first year students to interact successfully in real-life situations. It aims to provide them with rich, high-frequency vocabulary and explicit grammar syllabus to achieve such goals. It also builds cultural awareness and develops A2 level of proficiency across the four skills via explicit presentation of grammar, vocabulary, reading texts and social exchange in conversations and listening activities related to general topics.

### 2. Course Main Objective

This course is taught as part of the first year program for students majoring in business administration related fields. It is designed to provide students with a strong foundation in general English. Its main goal is to develop and to improve students' English language proficiency level A2: listening, reading, speaking and writing, vocabulary and grammar.
